Nurul Hasan

FRONT-END UI DEVELOPER

hasanit2001@gmail.com • +91-7755813928 • Delhi NCR (Open to relocate)

Who Am I

I am a well-rounded Front-End UI Developer with over 1 year of experience in frontend coding for websites and mobile applications. My expertise spans HTML5, SCSS, CSS3, React.js Bootstrap, Tailwind, JavaScript, jQuery, WordPress, and mobile-friendly web applications.

What I Bring to the Table

- Expert Knowledge: Bootstrap and Tailwind, responsive UI development for large screens, tablets/iPads, and mobile devices.
- Proficient: Node.js for web applications.
- Technical Skills: Rich Snippets, Structured Data, W3C Compliant coding.
- High-Quality UI: Delivering clean and optimized front-end user interfaces using HTML5, SCSS, CSS3, React.js Bootstrap, Tailwind, JavaScript, jQuery and WordPress.
- Conversion Expertise: PSD to HTML5/CSS3 with precise visual output.
- WordPress: Theme integration, customization, and development.

My recent interests, Exploring Node.js to develop scalable, high-performance web applications, focusing on API optimization and asynchronous programming.

Employment History

Tangio Brand Solution
